

BOYS & GIRLS CLUBS
OF THE GREATER CHIPPEWA VALLEY

WELCOME TO THE ALTOONA BOYS & GIRLS CLUB!

WHAT IS A BOYS & GIRLS CLUB?

Boys & Girls Club is a fun and safe space for kids to have great experiences and opportunities that help them be their best selves. Club is an out of school youth development program that's provided with community support so all kids have access to programs designed to build good character and citizenship, support academic success, and develop healthy lifestyles. #BetterThanEver

WHO IS THE BOYS & GIRLS CLUB FOR?

When it opens, Altoona's Boys & Girls Club will be open to kids in 2nd through 5th grades living in the Altoona School District. No other requirements or qualifications are necessary. All kids benefit from an inclusive environment where every kid feels appreciated, valued, and understood for who they are, with positive adult mentorship and positive peer relationships.

BETTER THAN EVER

WHY IS A BOYS & GIRLS CLUB NEEDED?

Because all kids deserve the opportunity to develop to their full potential!

Out of school time is prime time for experiences that help kids discover their skills, interests, and talents, develop positive relationships, and build self-confidence that stays with them for a lifetime. Children, youth, and teens can also be most vulnerable during out of school time. Communities with Boys & Girls Clubs find that Club Kids are less likely to become involved with drugs and alcohol or to interact with law enforcement and are more likely to graduate from high school with a plan for the future. #BetterThanEver
