

BOYS & GIRLS CLUBS  
OF THE GREATER CHIPPEWA VALLEY

## LEE & MARY MARKQUART CENTER

### WELCOME TO THE CLUB!

A **safe** place with friendly people who know you. The place that creates valued relationships where everyone feels welcomed, appreciated, understood and valued!

### WE HAVE EVEN MORE GREAT FUTURES IN STORE!

By **BUILDING GREAT FUTURES** with enhanced safety: we will have additional windows for better line of sight of approaching individuals and vehicles, double locking front doors; a covered approach to the main entrance to protect from weather. By making these changes we will also have better branding and visibility for the Club.

### WE PROMOTE HEALTHY CHOICES!

A **GREAT FUTURE** includes education about physical and emotional health. Members will **BUILD** up body, mind, and spirit. A **GREATER** variety of snacks and meal options will be offered- And **BETTER THAN EVER**.
